

Basenji Club of NSW, 8th of Oct. 2011

Judges report by Renée Sporre-Willes

My sincere thanks to the Basenji Club and exhibitors for this lovely entry and the opportunity for me to judge your world famous dogs. I had high expectations and wasn't disappointed; I agree a 100% with those who claim your Basenjies to be the best in the World! And as puppy and youth classes were of stunning quality it is easy to predict that the future will be as good as the past.

In all fairness there were also some lovely dogs that was either lower placed or not at all, because of molting coats and when the weather turned a bit cold and wet in the afternoon movement in some cases suffered.
